NRIC WEBINAR SERIES

## *New Date & time*

Ashley Finan

Clay Sell

Chris Levesque

This 90-minute webinar will be Part 2 of the National Reactor Innovation Center (NRIC) webinar series moderated by Ashley Finan, director of NRIC.

She will be joined by Clay Sell, chief executive officer of X-energy, and Chris Levesque, chief executive officer of TerraPower. During this part of NRIC's webinar series, they will talk about their advanced reactor designs, having been awarded the recent U.S. Department of Energy awards under the Advanced Reactor Demonstration Program.
